Additional information

Please provide any other pertinent information that will help us place your child on a team. For example if you have siblings - would you like them to be placed on the same team or separate teams? Is there a student you must carpool with to the sessions? (This does not guarantee that they will be placed on the same team, but we will try our best to accommodate your request.)

We will try to stick to last year's format of session times.

This will largely depend on the number of participants.
