## LETTER FROM THE BOARD PRESIDENT & DEVELOPMENT COMMITTEE CHAIR

*Mike Ryan '87 P'19 '21*  
*Board President*

*Kathleen K. Starkoff P'11*  
*Development Committee Chair*

Dear Friends of Columbus Academy,

What an exciting time in the history of Columbus Academy! Turning 100 years old is not only a testament to our honored past but hope for an even brighter future on even firmer footing.

In addition to reaching this Centennial milestone, we are proud to present to you our 2010-11 Annual Report on Giving. This past school year was filled with so many accomplishments – more than we can list below – but here are just a few things we wanted to share:

- Nineteen Academy students were named National Merit Finalists including eight that were recently named 2011 National Merit Scholars and awarded scholarship money;
- Athletic achievements included both individual and team State Championships in Girls Diving, Boys Track & Field 4x800 Relay and Girls Lacrosse. We also achieved State Runners Up status in Boys Swimming 100 Butterfly and Freestyle. Additionally, an upper school co-ed Bowling team was established as well as a State tournament winning middle school boys lacrosse team;
- As part of our second century planning, we began initial work and analysis on proposed new facilities and endowment needs. This led to a communitywide feasibility study to determine if a capital campaign would be well received and supported within the community;
- We surpassed our Annual Fund goal by 7% and raised over \$1,563,000 in unrestricted support with a record setting 78% parent participation;
- In partnership with our Parents' Association (PACA), we kicked off a yearlong Centennial celebration that included a highly successful Spring Gala and the creation of a 130 page Centennial Yearbook that visually displays our unique 100 year history;
- We completed a second full year of an increased marketing and awareness campaign resulting in continued growth in Upper School enrollment, inquiries and applications.

We are very proud of the fact that we have been able to continue to increase awareness in the community about the fundamental and critical need for philanthropic support of the school through the Annual Fund. It is only with such support that Columbus Academy can continue to grow and advance its mission to deliver an innovative education that combines excellence in teaching, creativity in curriculum, and a highly personal, academic enriched environment.

We are also personally thrilled that so many of our current/past parents, alumni, grandparents and friends that you will find on the following pages have clearly understood this need and have made significant gifts to the school. It is through this support that our students – and indeed the community at large – are now enjoying the benefits of a 100 year old leading independent school.

We thank you for your support and look forward to partnering with you in the future. We are honored to volunteer our services on behalf of such a generous community.

## PACA SUPPORT

Our parents' association (PACA) under the leadership of Shireen Firouzian P'11 '14 and Mark Turner P'10 '13 spent hundreds of volunteer hours for the benefit of our students and faculty. Parents gave their time to help out in classrooms; work on community service initiatives; faculty recognition; the Charlie David Dinner; the Viking Corner Store; the Lower School Fair; the Spring Gala; and various parent education programs, as well as support of the arts and athletics. We thank them all for their gifts of both time and treasure.
